Supporting Background Information:

Each year, the Planning Division prepares its Annual Planning Report for submittal to the Maryland Department of Planning (MDP). While submittal of the report is a mandatory requirement of MDP, the Planning Division has taken the liberty to expand upon the mandatory requirements with a more formal and flashy report that serves as a marketing tool for Planning Division activities. This year's report also ties department activities to the City's Strategic Plan. This evening, staff will provide a brief overview of the contents of the 2012 Annual Planning Report.
